# INDEX TO ADVERTISEMENTS

Reference is especially invited to the following alphabetical list of responsible, enterprising, advertising business men. The more you patronize them the better we can make the Greensboro Directory; your attention is also invited to the names in DISPLAY BLACK TYPE throughout the book of those who take pride in sustaining the city directory, and who do not borrow their neighbor's directory.

# WHAT OF THE OFFICE ?

Every known device that will help to speed up production in the factory is utilized. But what of the office? Are you doing everything possible to speed up production there? Are your workers surrounded with the kind of office furniture and equipment that makes their work more pleasant? Is your office the kind that inspires the confidence of your visitors? In other words, does your office really represent your business as it should?
